Editorial policy

The Investment Analysts Journal publishes significant new research in finance and investments. The journal seeks to establish a balance between theoretical and empirical studies. Papers written in any areas of finance, investment, accounting and economics will be considered for publication. All contributions are welcome but are subject to an objective selection procedure to ensure that published articles answer the criteria of scientific objectivity, importance and replicability. Readability and good writing style are important. No articles which have been published or are under review elsewhere will be considered. The editors reserve the right to make the final decision with respect to publication.

Editorial committee

Prof C Firer (*Joint Editor*), University of Cape Town
Prof E van der Merwe Smit (*Joint Editor*), University of Stellenbosch Business School
Prof M Ward, University of Pretoria
